

Smoke Signals July 2019

Let's make a difference

Gehrer sustainability Let's plant trees

Join us in saving the environment while saving costs

Today, we live in a throw-away society. Each year, pressure on the environment gets bigger. But together we can make a difference. Join us in making a difference and help us, not only to make the world a safer, but also a better place.

You need to rebuild or upgrade your Gehrer device? We have some good news for you. We rebuild or upgrade your device and at the same time plant trees for you.

In cooperation with the non-profit organization One Tree Planted, we plant trees for each rebuild or upgrade you commission:

1 electronic safe rebuild and/or upgrade = 5 trees

1 handheld device rebuild and/or upgrade = 1 tree

Gehrer is the industry leader in rebuilding and upgrading devices.

Not yet a Gehrer client? If you are not yet a Gehrer client, contact us and get a non-binding consultation about our customizable products and services... and buy a product that lasts for eternity and help save our planet.
